**THE ULTIMATE RAILWAY FACT
QUIZ**

ACTION PLAN

Activity 3 - Rail-O-Quest: The Ultimate Railway Fact Quiz

Grades Involved: Grade 9 & 11

This engaging activity will test students' knowledge of national and international railway systems through a fun, competitive quiz format. Questions will cover railway history, innovations, economic contributions, environmental impact, and key facts from India, Japan,

and Singapore. The goal is to reinforce learning in an enjoyable format while building awareness of global transport systems and their significance.

Preparatory Phase:

- The teacher will form quiz teams (2–4 members per team, depending on class size).
- Students will be informed about the quiz theme and advised to prepare by reading about major railway projects, global comparisons, and transport-related economic data.
- Teachers may provide reference sources or practice questions for revision.
- Roles such as timekeeper, scorer, and quizmaster will be assigned if conducted within the class.

Presentation Phase:

- The quiz will be conducted in rounds (e.g., General Knowledge, Visual Round, Audio Clues, Rapid Fire, True/False).
- Questions will focus on the railway systems of India, Japan, Singapore, and global innovations in rail transport.
- Teams will respond under timed conditions to encourage quick recall and teamwork.
- Scores will be updated live, and winners will be announced at the end.
- Participation, sportsmanship, and effort will be appreciated through applause or small tokens.

SDGs Covered:

- SDG 4 – Quality Education
- SDG 9 – Industry, Innovation and Infrastructure
- SDG 13 – Climate Action
- SDG 17 – Partnerships for the Goals

21st Century Skills Developed:

- General awareness and knowledge retention
- Team collaboration and shared responsibility
- Time-bound thinking and decision-making
- Communication and listening skills
- Global awareness through cross-country learning
