INTERNATIONAL POLICY

Introduction

At Sheoran International School, we believe that education extends beyond geographical boundaries. In an increasingly interconnected world, it is essential to nurture students who are aware, empathetic, and globally competent.

Guided by the Indian philosophy of “**Vasudhaiva Kutumbakam**” (The World is One Family), our school integrates an international dimension across the curriculum and school culture. We aim to prepare learners who are not only academically proficient but also culturally sensitive and globally responsible.

Rationale

The school recognizes its vital role in shaping future global citizens. With rapid advancements in technology, communication, and global interdependence, students must be equipped to understand and engage with diverse perspectives.

Embedding international-mindedness in education helps:

- Break cultural barriers
- Promote inclusivity and respect
- Encourage meaningful global connections
- Prepare students for global opportunities and challenges

Aims

The school aims to:

- Promote awareness and appreciation of global cultures and traditions
- Foster respect, tolerance, and empathy among students
- Develop an understanding of global issues such as climate change, human rights, sustainability, and peace
- Encourage students to view themselves as global citizens
- Provide opportunities for international collaboration and exposure
- Build curiosity and openness towards different perspectives and lifestyles

Objectives

To achieve these aims, the school will:

- Integrate international themes across all subjects and grade levels
- Celebrate International Days such as:
 - World Health Day
 - International Yoga Day
 - Earth Day
 - International Literacy Day
 - Human Rights Day
 - Mother's Day and Father's Day (with global perspectives)
- Organize international projects, virtual exchanges, and collaborations with schools across countries
- Promote discussions on global issues like sustainability, peace, diversity, and innovation
- Encourage the use of digital platforms to connect with global communities
- Provide exposure through cultural exchange programs and global events
- Involve parents and community members in international initiatives
- Encourage multilingual communication and appreciation of global languages
- Align with international frameworks and work towards recognitions such as the British Council International School Award

Implementation Strategies

The school will adopt the following practices:

- Conduct international-themed assemblies and activities
- Integrate global case studies and examples into lesson plans
- Celebrate cultural diversity through events, exhibitions, and performances
- Organize Model United Nations (MUN), global debates, and awareness campaigns

SHEORAN INTERNATIONAL SCHOOL

GREATER NOIDA

- Collaborate with international institutions for joint projects
- Use technology to facilitate virtual learning and cultural exchange
- Promote sustainability initiatives aligned with global goals (SDGs)

Outcomes

As a result of implementing this policy, students will:

- Develop respect and appreciation for diverse cultures and traditions
- Demonstrate global awareness and social responsibility
- Communicate effectively across cultural boundaries
- Show sensitivity towards global issues and challenges
- Build confidence in engaging with international platforms
- Develop a strong identity as responsible global citizens

Conclusion

Through this policy, Sheoran International School aspires to create a dynamic learning environment where students grow into compassionate, informed, and globally engaged individuals.

Our learners will not only succeed in their personal and academic journeys but will also contribute meaningfully to building a better and more connected world
